Click here to enter text. and the physicians of Click here to enter text. are committed to the health and safety of the workers and compliance with the requirements of the Occupational Health and Safety Act.

Protection of workers from injury or occupational disease is a major continuing objective. Click here to enter text. will make every effort to provide a safe, healthy work environment. All supervisors and workers are committed to the continuing objective of reducing risk of injury. As an employer, Click here to enter text. is ultimately responsible for worker health and safety. As Executive Director, I give you my personal promise that every reasonable precaution will be taken for the protection of workers.

Supervisors will be held accountable for the health and safety of workers under their supervision. Supervisors are responsible for ensuring that machinery and equipment are safe and that workers work in compliance with established safe work procedures. Workers shall receive adequate training in their specific work tasks to protect their health and safety.

Every worker will protect his or her own health and safety by working in compliance with the law and with safe work practices and procedures established by the Click here to enter text.. It is in the best interest of all parties to consider health and safety in every activity. Commitment to health and safety must form an integral part of this organization, from Executive Director to the workers.
